5	Pull Spindle for M17 x 1.0 (240mm) internal thread	KL-0369-4606 H
6	Pull Spindle for M17 x 1.0 (315mm) internal thread	KL-0583-1005 H
7	Pull Spindle for M18 x 1.5 (250mm) internal thread	KL-0186-1711 H
8	Pull Spindle for M25 x 1.0 (240mm) internal thread	KL-1383-1021 H

- Turns all diesel injector removers into 17t hydraulic kits.
- This set enables the controlled extraction of very tight - fitting or stuck injector nozzles.
- It is used in conjunction with a injector nozzle puller with extraction bridge, and a hydraulic pump.
