

## Folding Worklight Intensity Control

LED-185

CE  
RoHS

**3 in 1 worklight with foldable design for difficult to reach & narrow workspaces**

### Integrated

- 4W COB Worklight
- 2W SMD Spotlight
- 0.5W SMD Top Torch with Magnetic pick-up

### COB Worklight

Smart design ensures user controlled output. Adjust light intensity of worklight and spot light by pressing and holding the power button

Magnetic Top torch doubles as a pick-up tool to reach out into narrow holes & crevices

### Sturdy Construction

- Aluminium body with ABS coating making it robust and impact proof
- Sturdy polycarbonate lens to withstand the toughest of job site conditions
- Compact Folding Design  
Fold into a pocket-sized light

### Hands Free Operation

Super strong magnet on base help affix the light on any metallic surface leaving both hands free

### Unique Clamping Base

Unique spring loaded clamping base to mount on any work surface for hands free usage

### Charging of Battery

Type-C fast charging protected by rubberized bezel. Comes complete with USB cable. Charge indicated via 4 LED's, each showing 25% charge

### POWER SOURCE

3.7V 2600 mAh

CAT NR.	SIZE	
	(INCH)	(MM)
LED/185	1-13/16 × 6-1/4 × 1-7/32	46 × 158 × 31

## SAFETY INFORMATION

- Follow workshop health & safety rules, regulations and conditions when using 4W COB Foldable Rechargeable Worklight.
- When not in use, COB rechargeable worklight should be stored in a dry location to inhibit rust.
- Keep the COB rechargeable worklight clean and in good working order for best and safest performance.
- DO NOT use the lamp in the immediate vicinity of inflammable materials or gases.
- DO NOT point the light directly in your own or any other person's or animal's eyes.
- DO NOT drop, throw or abuse the COB Rechargeable worklight.
- Check that the product has not suffered any damage during transport or storage. Clean and remove any dust or residual packing material.
- Read the instructions carefully before using COB Rechargeable worklight and keep them for further reference.

## WARNING!

- DO NOT immerse COB rechargeable worklight in water.
- DO NOT place COB rechargeable worklight near a fire or any other source of intense heat.
- DO NOT attempt to open, disassemble, modify or service the worklight.
- DO NOT expose COB rechargeable worklight to temperatures above 50°C (122° F).
- DO NOT use COB rechargeable worklight if you suspect that the batteries or the casing is damaged

## PACKAGE CONTENT

DESCRIPTION	QUANTITY
COB Rechargeable worklight	1
USB cable	1

## OPERATING INSTRUCTIONS

- 4 blue indicator LED at the back shows the percentage charge in the worklight.
- Fully charge the battery before the first use. To charge, connect the worklight with the USB charger cable provided with it. Connect the USB charger to the power source.
- While charging, the 4 blue indicator LED at the back will blink continuously.
- When the battery is fully charged, all the indicator LEDs will turn blue & stop blinking. Full charging takes about 4 hours.

- Press the power button located at the back of the light
  - Once for main work light "ON"
  - Twice for red light "ON"
  - Three times for top torch "ON"
  - Four times for switching "OFF" the light
  - Double press for spot light "ON"
- Intensity of main work light & spot light can be controlled by long press of the power button.

## MULTIPLE MODE OUTPUT

	MODE1			MODE 2
